[2005 Elvi Wines Adar Ribera del Jucar](#)

(28% syrah, 26% bobal, 24% merlot and 22% cabernet sauvignon) Ruby-red. Fresh blackberry and blackcurrant aromas are expansive and strikingly pure. A deeply concentrated blend, offering sweet, sappy dark fruit preserve flavors, silky tannins and refreshing mineral snap. The purity of fruit here is quite alluring, and carries impressively through the finish. **This is a kosher wine.** (Boutique Wine Collection, Philadelphia, PA)
